About Us

Wasabi Relate is a wholly South African owned company founded in 2016, incorporated and registered in terms of the Companies Act 1973 (Act 61) with Company Registration Number 2016/077907/07.

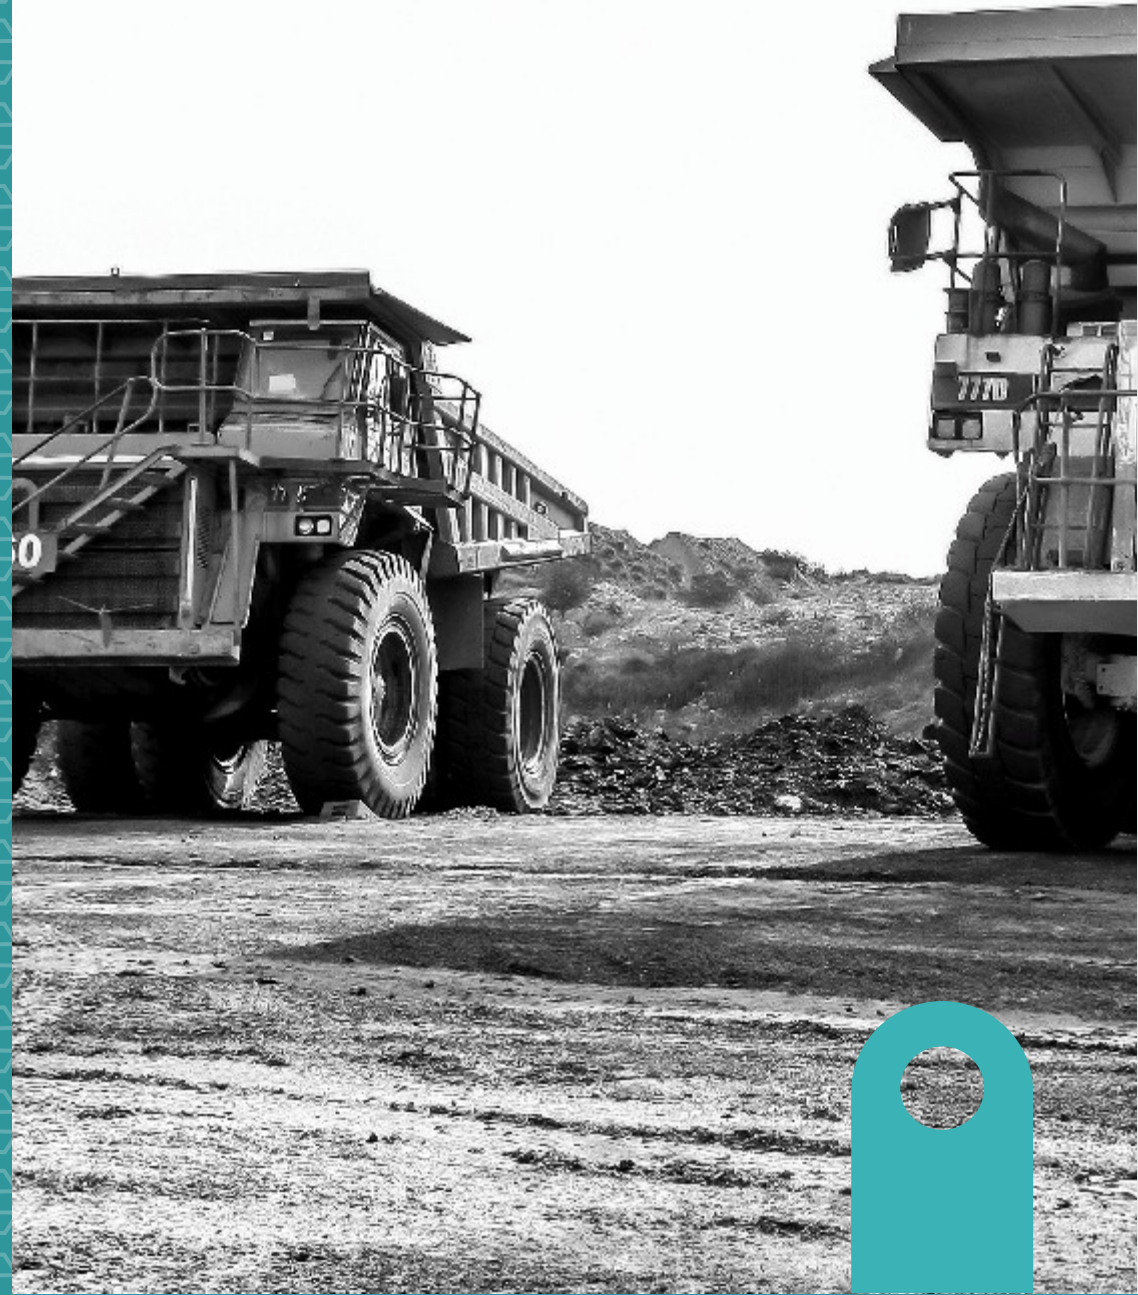

We are a company operating in Sub Sharan Africa that specialises in procurement, logistics and fulfilment solutions for mining and industrial operations. Our product offering includes mining equipment, industrial chemicals, PPE, steel, welding equipment and supplies as well as power generation and energy storage solutions.

As a company, we are committed to promoting ethical behaviour in all our commercial collaborations. We ensure that our business practices are transparent and fair.

We believe our commitment to integrity is critical to our success, and we are proud of the trust we have earned from our clients and stakeholders. We will continue to uphold our commitment to integrity and ethical conduct in all our commercial collaborations.

Our Values

At Wasabi Relate, our values define who we are as a company and guide our decision-making. We are committed to upholding these values in all our commercial collaborations:

OUR INTEGRITY

We believe that integrity is the foundation of our business. We hold ourselves to the highest standards of ethical conduct and we are committed to transparency in all our interactions with all stakeholders.

INNOVATION

We believe that innovation is key to our success. We are constantly seeking new and better ways to serve our clients and improve our business processes.

SERVICE EXCELLENCE

We are an agile and adaptable solutions collaborator. We firmly believe that an open minded approach equips us to find solutions that are fit for our clients' purpose in a rapidly evolving marketplace. We are dedicated to providing exceptional service delivery to our clients.

RESPONSIBILITY

We are committed to sourcing our products and services responsibly, ensuring they are of the highest quality and sourced from trusted suppliers. We are also committed to being responsible corporate citizens and making a positive impact on society.
